

VLOA members:

Welcome to spring and lax season!

First, to alert chapter members that vice president Chris Harlow has resigned, due to his prospective April surgery (hip). We appreciate his situation, and wish him a speedy recovery, and a return to duty next year. Brett Divenere has accepted appointment in Chris' place, and we're grateful for him stepping up.

The board has been working on proposed revisions to the by-laws; we request your vote and support for these revisions. These are mostly housekeeping. We propose removing "probationary", and creating a "new member" definition. Your board, working with USLacrosse, intends to strengthen our USL connections, in training both youth and NFHS.

We added words to call out the statutory requirement for lax officials on concussion training.

To the active category we're adding words to accommodate members from other officiating organizations to be full voting members (dues/test(s)/vote).

We changed the "Education" Committee to "Training"

All meeting documents are on the website:

Access password reminder: (separately provided by Jeff Dobbin to all current members' emails)

Agenda

Proposed by law revisions

Financials

Training budget 2017

Roster

Minutes June 2016; bod March 2017

PLEASE print/ bring any/all materials for meeting. (agenda, bylaws)

Before meeting:

NFHS test/video/2 man on website
